LOOKBOOK
2020/21

Ci piace pensare che ogni giorno possa essere l'inizio di qualcosa di meraviglioso. Una nuova sfida, una nuova opportunità, una situazione imprevista che ci mette alla prova e ci consente di mostrare tutto il nostro valore. Siamo convinti che pensare positivo non sia un'illusione, ma un modo concreto per affrontare la vita col sorriso, sicuri di noi stessi e forti delle nostre capacità. Ecco quindi spiegato il motivo del nostro nuovo pay-off, che è, in realtà, una filosofia di vita: don't worry... be happy!

Nous aimons penser que chaque jour peut être le début de quelque chose de merveilleux. Un nouveau défi, une nouvelle opportunité, une situation imprévisible qui nous met à l'épreuve et permet de découvrir notre vraie valeur. Nous sommes convaincus que la pensée positive n'est pas une illusion, mais un mode concret d'affronter la vie avec le sourire, sûr de soi et fort de nos propres capacités. Nous avons souhaité vous expliquer la raison de notre nouveau slogan qui est en réalité la philosophie de la vie: don't worry... be happy!

Nos gusta pensar que cada día puede ser el comienzo de algo maravilloso. Un nuevo reto, una nueva oportunidad, una situación imprevista que nos permite mostrar todo nuestro valor. Creemos que el pensamiento positivo no es una ilusión, sino una forma concreta de enfrentarse la vida con una sonrisa, seguros de nosotros mismos de nuestras habilidades. Así se explica la razón de nuestra nueva pay-off, que es, en realidad, una filosofía de la vida: don't worry... be happy!

We like to think that every day can be the start of something wonderful. A new challenge, a new opportunity, an unforeseen situation that tests us and allows us to show all our talent. We believe that positive thinking is not an illusion but a concrete way to face life with a smile, self-confident of our abilities. Here is the explanation of our reasoning, which for me is a philosophy of life: don't worry... be happy!
